**FREE TO ATTEND**

AIRAH
INDUSTRY NIGHTS

Industry Nights bring together tradespeople, innovators, and engineers. This is your chance to expand your network while exploring the latest industry trends and advancements.

What's included?

Industry Night trade show

Discover new products and technologies designed by industry professionals

Technology showcase*

Hands-on demonstrations of cutting-edge technology and networking with industry leaders

*Only at Perth, Melbourne, Sydney, & Brisbane.

Who should attend?

— HVAC&R Professionals

— Contractors & Engineers

— Facility Managers

— Building Owners & Operators

— Consultants & Designers

— Industry Suppliers & Manufacturers

— Students & Emerging Technicians

Why attend?

✓ Witness new and emerging technology

— See the latest and greatest technology from each of our exhibitors across HVAC, refrigeration, building management, IOT, and more

✓ Grow your professional network

— Meet industry stakeholders and grow your professional network from various sectors of the HVAC&R industry, such as engineers, technicians, manufacturers, and suppliers

✓ Get up close and personal

— AIRAH's Industry Night events are the best way to get hands-on with leading products, and have questions answered by supplier representatives.

✓ Industry Updates and Discussions

— Discussions around the latest trends, innovations, developments and technological advancements in the HVAC&R sectors

✓ Professional Development

— Attendees gain valuable insights and learn from one another's experiences

Don't miss out on this opportunity to discover cutting-edge technology and engage with industry leaders.

These free events are open to everyone – register now!
